My schedule is getting crazy with INL starting the next test run of the new waste treatment unit. I have been told my only priority will be managing the HWMA/RCRA permitting duties for this Project.

That said I am unavailable August 3-7, 18-25, and August 31-September 8 I am available to be in Pocatello on Thursday, August 27..

Subject: Checking on dates for visit to Pocatello

Hi, I would like to check on the availability for meetings and a site visit the week of Aug 24th. Are there dates the week of Aug 24th that would not work for you, to have a meeting in Pocatello and a visit to the FMC site?

Please respond by the end of the week, so I can work to find the next soonest date if this will not work.

Thanks!
